DETAILED ACTION

Drawings

1. The replacement drawing sheets were received on July 2, 2004. These drawings are acceptable.

Allowable Subject Matter

2. Claims 19-29 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The prior art, alone or in combination, did not teach or fairly suggest a modular fountain comprising a conduit extending through the opening in the bowl, wherein, when the bowl is connected to the base by the engagement of the first collar of the second bayonet connector with the second collar of the second bayonet connector, the conduit is operable to provide a passage for the power cord of the pump from the pump housing into the cavity of the base, together with the other claimed limitations as set forth in claim 19.

The prior art, alone or in combination, did not teach or fairly suggest a modular fountain wherein when the top portion of the fountain is connected to the base member by the engagement of the first collar with the second collar in a twist and lock manner, a passageway is provided between the bowl and the passage in the base member, together with the other claimed limitations as set forth in claim 20.
